

### Millions of people have their identities stolen every year. DON'T BE ONE OF THEM.

Identity theft remains in the top three Federal Trade Commission complaint categories for the previous 15 years.\* Victims can spend an exorbitant amount of time and money dealing with identity theft and its consequences. The criminals are getting smarter. And they're not going away. That's why you need a company that's more than a website. You need an established institution that understands all the potential threats, how to prevent them, and how to restore any damage done.

ID Theft Defense monitors your identity from every angle, not just your Social Security number, credit cards and bank accounts. ID Theft Defense ensures everything connected to you is monitored. If any change in your status occurs, you receive an email update immediately.

ID Theft Defense identity specialists are focused on protecting you. They are available to provide you with a complete picture of identity theft, walk you through all the steps you can take to protect yourself and answer any questions. Plus, they are available 24 hours a day, every day, in the event of an identity theft emergency.

ID Theft Defense's members benefit from an exclusive partnership with Kroll, the worldwide leader in theft investigative services. If a compromise occurs, contact your licensed private investigator who will immediately begin restoring your identity to exactly the way it was.

#### **INDIVIDUAL PLAN**

(For just you)

\$11.00 per month

#### **FAMILY PLAN**

(For you, spouse/domestic partner and up to 8 minors)

\$22.00 per month

Select the plan that's right for you. The Individual Plan covers one person, while the Family Plan covers up to 10 people – you, your spouse or domestic partner, and as many as eight minor children. With sex offender monitoring, the Family Plan is a must for parents. The savings really add up. A family of four typically saves about \$360 a year.\*

\*The \$360 savings per year is calculated as such: \$51.96 (Competitor Plan) - \$22 (ID Theft Defense Family Plan) = \$29.96 x 12 (months) = \$359.52 (per year).
